Thursday, April 11, 2024 at 6:30 p.m.

Join us for an exploration of how antisemitism, Islamophobia, racism and homophobia look online, how their prevalence harms individuals and society, and how we mitigate that harm. Dr. André Oboler, founder and CEO of Australia's Online Hate Prevention Institute and an internationally recognized expert in monitoring and countering online hate, will share his expertise and discuss what action is possible to combat the proliferation of hate online.
