We, the undersigned, are calling on you to address urgently the rise of incivility,

public aggression and overt hatred that are undermining the peace and security of Canadian life. This issue is so important that it transcends partisanship.

Whether they are connected to geopolitical events happening thousands of kilometres away or derived from homegrown causes, one cannot deny that tensions

### Are Canada's Christian statutory holidays discriminatory?

Statutory holidays related to Christianity, such as Christmas and Easter, are the only ones in Canada linked to religious holy days.

#### Question may loom larger in coming years, researcher says

Christian holy days like Christmas and Easter are likely to remain statutory holidays in Canada in the near term, a legal scholar says—but the question of accommodation for non-Christian religious holidays could become more important in the future as the country welcomes half a million immigrants each year.
