*Six months after Dorota Blumczynska was born in Poland, martial law was declared, food rationed, personal freedoms suppressed, and an uprising took hold of her country. As a child, Dorota witnessed her family struggle under an oppressive regime, eventually fleeing to eastern Germany. While living in a refugee camp for over a year, her family held onto hope that they would be chosen for resettlement. On October 27, 1989, they landed in Canada as Privately Sponsored Refugees.*

*Prior to coming to the Manitoba Museum, Dorota was Executive Director of the Immigrant and Refugee Community Organization of Manitoba Inc. (IRCOM).*

*During her tenure, Dorota led IRCOM through a period of rapid growth, innovation, and increased impact and influence. Her deep sense of social justice and equity shaped her leadership of one of Manitoba's largest and most dynamic settlement and community development organizations.*

*After 13 years as IRCOM Executive Director, Dorota joined the Manitoba Museum, which offered her the opportunity to continue to fulfill her purpose of celebrating our shared humanity. In the midst of the COVID-19 pandemic, and resulting uncertainty, Dorota brought visionary leadership, great enthusiasm, and renewed hope for the future. Having personally experienced the Manitoba Museum as a child refugee, she believed it had the opportunity to meaningfully contribute to inclusivity and community cohesion, leaning into its purpose as a living institution and centre for intercultural dialogue.*
